

Block of the Month News

October Block of the Month isn't a block! We are hoping you will join in the fun of giving by making;

Bibs for Babies These will be donated to the UVM Medical Center's Children's Hospital. I used a pattern which is free from Pellon <http://www.pellonprojects.com>. The title is: Best Bib on the Block with a beginner skill level. You will see by looking at the picture it is a great place to play with fabric combinations and using up some larger scraps. Shown here are two that I put together. It took less than an hour. If you have a favorite pattern go ahead and use that.

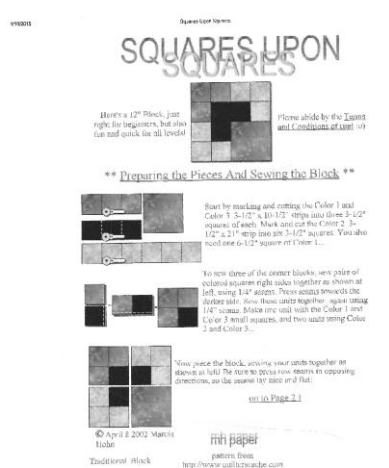

Just make sure that fabric and batting are 100% cotton content.

If anyone has difficulty or no access to the internet please contact Michele Cummings @ macandbac@hotmail.com or call 802-434-4763 and I will print off and mail a pattern to you.

Next on the agenda for November is an easy block in traditional Christmas colors.

This pattern can be found at <http://www.quilterscache.com/S/SquaresUponSquaresBlock.html>

¹ Please use Reds, Greens and Bright Whites. It should measure 12.5 x 12.5 when you are done. Have Fun
