

The purpose of this checklist to help you and CGC staff coordinate your needs. In order to make things go more smoothly, the staff will need to receive this checklist back via email or mail **at least one month in advance**. We are sending this out to you so early in the process to help you get some items off your to-do list sooner so that in the lead up to the retreat, we can stay out of your hair and let you focus on the more important stuff. Please don't hesitate to contact us if you have any questions or concerns about this form.

Eco-Lodge set up preference. Please indicate which bed arrangement best serves your needs. (see below for Eco-Lodge floorplan)
