Cut one strip of fabric 1 and one strip of fabric 3:  $1 \frac{1}{2}$ " x 5". Sew together and cut in half

If you cut fabrics across the width you can make 6 squares very quickly.

Here is one possible arrangement of these blocks for a square quilt. All you need is one other coordinating fabric and you have a quick easy quilt.

Naturally the winner of the set of this monthly quilt blocks will have a scrappier quilt, but the colors should coordinate for a fun quilt.
