NOVEMBER 2011

I hope to see all of you at the November meeting. I hope all of you were able to get to the show to see the new space. I'm sure members will consider having it there again. Thank you to all who helped with the show. I think all went well.

### Directions to North Alliance Church, 901 North Avenue, Burlington! This is where we are meeting for the November meeting.

From interstate: the most direct way is West down Main Street; turn right at Battery and follow that as it turns into North Avenue. The church is at the first traffic light after Burlington High School, on the left.

If using the beltline, (Route 127), take the first exit, North Avenue, Beaches. Get in the LEFT lane at the first traffic light. Cross the street directly to enter the parking lot. Do not turn right on North Avenue.

## CVQG Show 2011

I have so many memories in my head from this past weekend and the show the guild held at the Fieldhouse in Shelburne. It's hard to say which is my favorite. There is the little girl who on Sunday morning could hardly believe she was getting the "beautiful" ribbon for completing the scavenger hunt. There is the excitement that Joanne Shapp expressed when I spoke to her soon after she had seen her Best Of Show quilt, Crop Circle hanging among as she put it: "so many gorgeous quilts." She told me the honor means a great deal to her because she knows the high quality of work that our guild produces. (She will be someone to watch and we will be able to boast about having her quilt in our show.) I lost track of how many people I had never seen before who spoke to me and said what a wonderful show it was.

There was the pride I felt on Friday night when Noah and Emily were introduced and spoke of why they had chosen the quilt they gave their VIP ribbon to. And a tinge of sadness because Sarah couldn't be with us. Norwich had first dibs on her time. There was a fun family time when Teela let my young grandsons "drive" her sewing machine as she demonstrated machine quilting. There were also awe filled moments on Friday evening when we walked in and saw the lovely show waiting for visitors where two days before, we had seen only a soccer field.

Putting a show of this caliber together is a tremendous amount of work. There were many who were there for four long days. There were many who did not just one but two or maybe three jobs. Many brought their husbands along to help out. One of the most heart warming times for me was seeing so many members and their husbands show up to help on Sunday night. Teela and I were the last to leave and we were out the door at 6:05—a tremendous accomplishment.

I cannot possibly list everyone who helped and I don't want to take the chance of missing someone. The members of the Show committee, however, deserve our great thanks. They all worked hard and long hours, did their jobs with enthusiasm and cheer and were still smiling on Sunday night. Linda Lazarowski, our artistic director did an especially wonderful job. She and Hope Johnson were responsible for making the whole show look so terrific. The many members who showed up on time and did their jobs well are much appreciated.

I am a little disappointed at the lower than expected turn out. I think the wonderful weather was not to our advantage but easier to deal with than last year's rain. Lots of visitors arrived on both mornings but it was less than busy in the afternoons. We'll have a more complete report shortly.

Please join me in thanking the members of the Show committee:

Linda Lazarowski, Hope Johnson, Teela Dufresne, Phyllis Billings, Sue Rivers, Ruth Whitaker, Andre Emmell, Shirley Fuller, Nichole Chalander, Mitzi Oakes, Karen Abrahamovich, Paula Demag, Janet Brunet, Connie McDonald, Lois Bresee, Priscilla Roehm, Rita Bortz, June Sweeney, Collette Kaiser, Claire Graham Smith, Noah Patullo, Marty DelNevo, Wilma Gatti.

### COMMUNITY QUILTS

At November's meeting we will have both kits to be sewn and quilted. This will be the last chance to get some winter projects to work on as December is our Holiday party and we do not have our regular Community Quilt table. In January we will be honoring our Quilt Angels that contribute at least 5 quilts - so finish those items you are still working on. There is still time!

November is a busy month with two workshops going on involving Community Quilt participation. Beginning quilters can learn more and get started on quilting through the Programs event on Wednesday after our regular meeting. Then on the 19th we will be making twin quilts for flood victims in the teen center. Come join us!

### **Community Quilts Workshop**

**When: Wednesday, November 2nd, 2011**

**Time: 9-3.30**

**Where: Essex Alliance Church**, classroom behind machine quilting workshop.

We will use this workshop to organize, cut, sew and quilt. Quilts will be donated to the Winter Warmth Project started by Pam Druhen for Hurricane Irene victims.

### **Community Quilts Workshop**

**When: Saturday, November 19, 2011**

**Time: 9-3.30**

**WHERE: Essex Alliance Church Teen Center**

We will use this workshop to sew quilts together for the Winter Warmth Project. Come for the day or just a few hours. This is a great opportunity to meet others and get involved. There are opportunities to machine quilt, (bring your own machine), piece tops, create kits, plenty of handwork as well as labels and binding.

## **CVQG Programs 2011-2012**

CVQG is made up of a diverse group of members from traditional to art quilters. We try to bring in a variety of speakers and choose lectures that have an appeal to most members regardless of the type of quilting they do. More information about our programs and workshops can be found on our website and at the Programs table at the meeting. We welcome your suggestions.
