Ribbon Committee Responsibilities: Design and make ribbon tops. In the past, the "Best of" ribbons have been larger than the others but it is the committee's choice to decide how to differentiate. Colors listed are the ones that have been used in past years but the committee may decide to use other colors. Attach grosgrain ribbons to the ribbon tops with small safety pins. All ribbons should have 'CVQG 2016 Show - Show Name' on one of the ribbon 'legs'. The Special Ribbons should also be labeled with the title of the ribbon. Ribbons need to be completed and ready to be attached on the day the quilts are judged.
