

Lynn Wheatley

Laura Heine Certified Teacher

Quilter's Choice Collage Workshop

Method Designed by: Laura Heine of Fiberworks

Studio 180 Design
Certified Instructor

During the workshop you will spend the majority of the day creating the main design element of your Collage Quilt. This is a **non-sewing** class.

This class is a "Quilter's Choice", you can choose any of the Laura Heine designs, from her standard size to one from her "Teeny Tiny" collections.

To the right are a few examples of Collage Quilts created using the Laura Heine method and patterns. All available patterns can be viewed online at www.fiberworks-heine.com.

Collage quilting using the Laura Heine method is a form of Raw Edge Applique with a few very distinct differences.

Collage: The main design element (Dog, Pump, Sea Horse) and fabric is selected but determining the placement of each fabric motif is part of the creation process and can be changed as you create your collage quilt.

Guidance:

- Only one RULE, be creative!!!!
- You don't have to "Color in the Lines"
- Can be 100% Fused or, Fused and Sewn
- Select a Laura Heine pattern from her standard or Teeny Tiny series, **excluding BoHo Blooms** which is a machine applique process and not covered in this workshop.
- Design starts with a simple image, kind of like a young kids coloring book. This is only a starting point for one's imagination and creativity.
- Many times this can result in Abstract Art.
- Fabric Selection is infinite and a great way to use up those "Ugly Fabrics in your Stash"

Pre-Workshop Preparation is essential for this workshop.

- Image traced onto foundation material
- Motif fabric fused to Steam-a-Seam 2
- Motifs cut out from fused fabrics

If you have any questions please feel free to contact me at lynnwheatleyquilter@gmail.com or call at 802-299-9236.

Supply List, Pre-Order form and Pre-Workshop Instructions are distributed after workshop sign up.
